Priority

Acknowledge is made of applicants' claim for foreign priority base on an application 092109029 filed in Taiwan on 04/18/2003.

It is noted that Applicants have filled a certified copy of said application as required by U.S.C 119, which papers have been placed of record in the file.

Oath/Declaration

The oath/declaration filed on 10/14/2003 is acceptable.

Specification

The specification has been checked to the extent necessary to determine the presence of all possible minor errors. However, the applicant's cooperation is requested in correcting any errors of which applicant may become aware in the specification.

Reason for allowance

Claims 1- 9 are allowed. The following is an examiner's statement of reason for allowance: None of the references of record teaches or suggests the claimed Method of plating metal layer over isolated pads on semiconductor package substrate having the steps of electrifying the substrate to plate a metal layer on the isolated pads respectively; and removing the photoresist layer and the remainder of the conductive film covered by the photoresist layer, to restore the electrical insulation between the isolated pads and the conductive blind vias and among other steps as claimed in independent claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
